

# Funded COVID-19 Support

## HELPING YOU STABILISE THE PRESENT & CREATE YOUR FUTURE

The Government has set aside significant funds to support businesses impacted by Covid-19 during these stressful and strenuous times by fully funding business advisory services.

Only one thing remains the same since the unprecedented business challenges that COVID-19 has created – the need for businesses to create sustainable customer value.

Inspiring Performance has supported hundreds of kiwi businesses and government agencies achieve more during good times and bad by better understanding their business and operating models, building future-focused business strategy, and with the tools to make it happen.

This funded support is for the key leader/s of the business (or business owners) wanting advice for how to achieve greater clarity about your planning and choices in both the short and medium term. Here are the areas of support we're providing you could be eligible for 100% funding - ranging between \$1000-5000+GST.

In all areas, you'll be provided practical tools back by globally proven business principles.

**1. Business pulse check** - Review business performance pre Covid-19 and now. *Outcome:* Rapidly benchmark current state and top challenges in a changing environment.

**2. Business continuity planning (business & operating model)** – creating and delivering customer value through COVID-19. *Outcome:* The ability to operate with greater confidence and the ability to make 'choices'

**3. Financial & cash models** – knowing you can fund your way into the future. *Outcome:* Visibility and control over liquidity and cashflow.

**4. Wellbeing & resilience (incl. HR)** – helping people be the best they can be. *Outcome:* A workforce with the mindset and inspiration to achieve more within the business, or their own future if made redundant

## MAKING IT WORK FOR YOU

We can offer support through secure channels including Zoom, Microsoft Teams, Skype and telephone. You'll also benefit from having access to our online benchmarking metrics.
